Daly City Record

Daly City—Gateway to The Peninsula One of the Most Rapidly Growing And Developing Cities In Northern California

BLISHED THURSDAY | DALY CITY, SAN MATEO COUNTY, CALIFORNIA, THURSDAY, AUGUST 19, 1948 | VOL. 45, NUMBER 29

UBLIC SCHOOLS WILL PEN ON SEPT. 13TH .L.P.H. ON SEPT. 7TH

lementary schools in the Jef- on district will open Septem- 13 — the week after Labor — for the fall semester.

hat announcement was made week by Superintendent James ll, after the board of trustees completed its school calendar. istration of all students, includ- those children who will be en- ng school for the first time, will e place on the frist day of ool.

uperintendent Snell made clear y that school children who are residing in the same commu- they lived in last spring will nd the same school this fall. entrants will enroll at the ool designated for their neigh- hood.

DERGARTEN QUIREMENT

hildren who are four years and months old on or before Sep- ber 1 will be accepted into dergarten, Snell said. Kinder- ten entrants will be admitted school only during the first th of the school term.

he child must be five years and months old on or before Sep- ber 1 to be admitted into first de — whether or not he has nded kindergarten.

ED BIRTH CERTIFICATES

uperintendent Snell also ad- d parents that birth certifi- s must be presented for all dren entering school for the t time.

ur Lady of Perpetual Help ool will open for the fall semes- on September 7 — the day r Labor Day.

New North County High School Near Lomita Park

A new north end high school to be built on the Capuchino tract near San Bruno and Millbrae will be called Capuchino High School, according to a decision by trustees of the San Mateo High School District.

The decision was rendered after an intense campaign by San Bruno, Millbrae and Lomita Park residents to have the school named for their communities.

According to A. Van Voorhies, superintendent of the school district, the new high school may be finished in time for the fall semester next year. Designed to accomodate from 450 to 500 students, it is expected to provide sufficient relief for anticipated increases in high school enrollment next year.

POLICE CHIEF WARNS AGAINST DUMPING

All persons caught dumping trash or garbage near the railroad tracks on the west side of Marchbank Park are liable to arrest and fine, according to Police Chief Wilbur W. Sunderland.

The warning came after several complaints had been made to the police department by neighborhood residents. Chief Sunderland declared that a dump is no longer located in the vicinity, and that rubbish and garbage deposits there constitute a health menace.

GETTING READY FOR FESTIVAL

Standing in the courtyard at Our Lady of Perpetual Help Church in Daly City, Sue Hopman gets ready to step into the new 1948 De Soto Four-Door Sedan which has been designated as "The Carnival Car" by James E. Donahue, De Soto - Plymouth dealer at 6232 Mission street.

A gigantic Festival and Carnival, with a western theme, will take place on the church grounds October 1, 2 and 3.

Three Outings In One Week For D.C. Boys Club

The Daly City Boys Club, organized this year for sports and other recreational activities for the city's youth, has become something of a sight-seeing group as well.

Last Thursday, for instance, several of its members were guests of General Brewing Corporation on a trip through the Lucky Lager bottling plant in San Francisco. Later in the day the boys were entertained by Dude Martin in the KYA broadcasting studios.

Friday night they made another trip to the city to see the Seals-Oakland game with Charley Graham jr.

The Boys Club baseballers played an inter-squad contest Sunday at Marchbank, after their scheduled game was cancelled. This Sunday's opponent has not yet been named.

LOST AND FOUND Items Available At Police Station

Articles which have been lost in Daly City and given up for gone are not necessarily so, according to Police Chief Wilbur Sunderland.

Many such items are turned in weekly at the local police station, and are stached in the basement until they can be identified by owners. Here is a list of the so-far unclaimed articles held "in custody" by the police department:

One child's scooter, two motorcycle tires, three tricycles, one child's wagon, two bicycles, one brown leather bag containing clothing, two bicycle frames, and one black cocker spaniel.

New View! Wellington Ave. Can Be Seen From Hillside And Mission

Something never seen before in Daly City happened this week when bulldozers and steamshovels started scraping off the high points of the old quarry at Mission street and Hillside boulevard.

With the crest of the hill completely removed, it is possible to stand in the 6400 block on Mission street and have an unobstructed view of Wellington avenue. The John Dykman home at 198 Wellington avenue, for the first time in history, can now be seen plainly from Hillside boulevard and Mission street.

NEW SM HI HALL

Plans for a $600,000 auditorium at San Mateo high school have been approved by trustees of the high school district and it is expected that construction will be started within six months.

The auditorium will accommodate 1,600 persons.

TAX RATE OF $1.242 ADOPTED BY COUNCIL

New County Tax Rate Up 25 Cents; $2.26 Basic Rate

A county tax rate of $2.26 per $100 of assessed valuation was adopted by the board of supervisors Tuesday for the 1948-49 fiscal year. The rate represents an increase of 25 cents over last year's figure.

On top of the basic figure, taxpayers will probably be faced with increased school taxes, which will not be computed for several days. Last year's school taxes were:

High school bonds	$ .0428
Maintenance	1.35
Grammar school bonds	.0522
Special	.90
Junior College	.35
	$2.6950

Using last year's school tax of $2.695, plus the new county rate of $2.26, plus city taxes of $1.242, Daly City residents will pay a combined tax rate of at least $6.197 per $100 of assessed valuation.

This is higher than San Francisco's 1948 rate of $5.62. The new San Francisco rate has not yet been announced.

A tax rate a little more than five cents less than the 1947-48 rate was adopted by the city council Monday night in a meeting at the city hall chambers.

The new rate, based on an assessed valuation of $10,513,700, is $1.242, compared to last year's rate of $1.296.

Tax rate breakdown is as follows:

General Maintenance	$ .816
Library Maintenance	.072
Water Dept. Res.	.032
Fire Alarm Res.	.079
Employees Ret.	.188
1941 Fire Bonds	.054
Total	$1.242

Assessed valuation of $10,513,700, as reported by City Assessor B. C. Ross, is broken down as follows:

Real Property	$ 9,526,770
Unsec. Pers. Prop.	212,920
Utilities	774,010
Total	$10,513,700

The council also accepted a subdivision map presented by Sterling Building Co. for the newly-annexed Hillside Manor tract, comprising portions of Blocks 5, 11 and 12 of the Abbey Homestead tract, east of Hillside boulevard near Bismark street. Lots in the tract will be 25 feet wide with a few lots being 30 feet in width.

In a caucus after the regular meeting, council members listened to City Engineer Robert C. Klassen outline proposed extensions to the water system in relation to the proposed annexation of land west of the city, and discussed establishment of a sewage pumping plant in that territory to tie in with the San Francisco sewage disposal plant.

Also considered were the details of a new zoning ordinance for the city at an estimated cost of $750.

Monday's meeting was an adjourned meeting from the regular session on August 9.

The council meets again in regular, open session next Monday at 8 p.m. at the city hall.

Mail Soliciting For Chest Starts Here This Week

More than 4,000 county businesses will be contacted by mail within the next two weeks for information concerning the number of persons employed by each firm. This information is being sought by the San Mateo County Chest to aid in its fund raising drive which starts on October 1. The poll will also ask for volunteer workers, who are willing to assist with the Chest solicitation among their fellow employees.

Jerry Joroslow, Chest campaign director, urged that all employers mail their employee-information card to the Chest as soon as possible. Because the Chest goal this year is thirteen per cent higher than 1947, Joroslow said that it is vitally important that every resident and worker in the county be contacted for their personal contribution to this year's Chest drive.

San Mateo county's goal this year has been raised to $170,474, according to the drive chairman. Quota for Daly City has not yet been set.

Concert Tickets Now Being Mailed

Community Concert Association membership cards were received this week for some of the 450 members who signed up in the spring campaign.

According to Miss Berna Sutton, secretary for the Daly City association, the remainder of the cards will be distributed through the mail next week.

Concert dates appearing on the back of each card are: George London, November 16; Appleton and Field, February 11, and Mary Van Kirk, March 4. All concerts will be presented in the auditorium of Jefferson High School.

Children To Have Part In Presbyterian Hour

Primary classes of the Grace Presbyterian Church Sunday school will have a special part in this Sunday's services at 11 a.m.

Trained and directed by Mrs. D. Ross, Mr. and Mrs. Jack Price and Miss Janet Warren, the children will present special choral selections during the worship hour. Parents and friends have been invited to attend.

A nursery will be provided for yonger children.

RST SHIPMENT OF STREET SIGNS XPECTED SOON FOR MAIN ARTERIES

he first shipment of street signs Daly City's street-marking pro- m is expected to be delivered hin the next 60 days, it was ned yesterday from represen- ves of the Lyle Sign Co. in ssachusetts.

rdered last March as part of ivic improvement program, de- ry has been held up by coal kes and steel shortages.

he first shipment will include -rust steel enamelled street s at all of the intersections on sion street, Junipero Serra bou- rd and Hillside boulevard. Let- s will be black on a white back- und and the signs will be unted on galvanized steel posts. When the signs have been in- lled on all intersections of the ee main north-south arteries, itional signs will be prepared the east-west thoroughfares. erating on a block-by-block pro- m, the city council intends to mpletely cover the city within w years.

he signs are similar to new ck and white signs being in- lled in San Francisco.

Guest Soloist Sunday At Ocean View Church

"Divine Guidance" will be the topic of the Rev. Joseph Bennett's sermon this Sunday at 11 a.m. services in the Ocean View Congregational-Community Church.

Kenneth Bradshaw, guest soloist, will sing "Peace I Leave With You," by William Dichmondt. Sunday school will be held at 9:45 a.m.

Arrangements are made for the care of smaller children during the worship hour.

Time Drews Close To Register For General Election

Repeating the warning that the last day for registration to vote in the general election November 2 is September 23, Secretary of State Frank Jordan again urged eligible citizens to complete registration as soon as possible.

Those who cast ballots in the last general primary elections need not re-register.

Persons who have reached 21 years of age and who have lived in California one year, in the county 90 days and in the precinct for 40 days are eligible to register.

Registration may be accomplished at the county courthouse in Redwood City, with the city clerk in Daly City, or with a number of deputies in the area.

Your Share Of Average Bank Deposits Is $864

Per capita savings deposits in banks of the nine bay region counties are nearly twice the average for the rest of California, and two and one-half times the national average, according to a Federal Reserve system report. If deposits were split up, every man, woman and child in the bay area would have $864 on deposit.

In 1947, when the bay area population was 1.8 per cent of the total in the United States, bank deposits equalled 3.1 per cent of the national total.

Safe-Cracker Unsuccessful At Crest Theatre

An unsuccessful attempt to highjack the safe in the office of the Crest Theatre, 7252 Mission street, was reported to local police last Saturday by Ben Estrin, assistant manager.

Only money found missing was approximately $4.80 in coins which had been taken from the cigarette machine. Police, after investigating, said the burglar or burglars had apparently pried open the rear door of the theatre between 12:30 and 5:55 a.m. Saturday. The combination dial on the safe was broken.

Ralph Capps New American Legion Commander Thurs.

Ralph Capps, World War II vet student at San Francisco State College, will be installed as commander of American Legion Post No. 410 at ceremonies next Thursday, August 26, at the American Legion Hall, 474 San Diego avenue. Retiring Commander James Halloran, who saw service in World War I, will turn over the reins to Capps at that time.

"We old-timers want to see the new veterans take an active part in Legion activities," said Halloran, "and we want to fill up our chairs and offices with those who saw service in the last war."

District and department Legion officials will be on hand at the installation ceremonies. City officials and the general public have been invited to attend.

Other new officers will be Peter Bordson, 1st vice commander; Eugene Lowry, 2nd vice commander; Martin Pahlka, sergeant-at-arms; Felix Foreman, finance officer; Ed Trier, chaplain, and Clayton Coleman, adjutant.

The Legion post plans an addition to its present hall at 474 San Diego avenue and is conducting a membership drive among veterans to enlarge social facilities within the post.

Eagles Auxiliary Accepts Members At Recent Meeting

Four candidates were initiated into the Ladies' Auxiliary of Eagles last week in an informal ceremony at the Eagles Hall on San Jose avenue.

Hazel Hunter, Louise Sima, Rachel Dawson and Marie Dolores Dawson were welcomed into membership, while guests from San Mateo, Santa Cruz, and San Francisco looked on. The meeting was highlighted by a brief address by Merle Ensninger, newly elected state chaplain, and a talk by Mildred Seman, president of Auxiliary 61, San Francisco.

Refreshments were served by Agatha Heyden and her committee, at tables decorated with dahlia arrangements.

Plans are now being made for the fall bazaar slated for October 29 and 30.

Parents Invited To Recreation Show Next Week

Daly City parents were invited today to attend Craft and Hobby Day events next Friday, August 28, at Jefferson Union High School.

According to Elman Rose, recreation director, parents are being offered the opportunity to watch their children at play for the first time in the department's summer recreation program.

The open event will begin at 7 p.m. in the high school cafeteria, where children who have been attending classes at the Peoria and Parkview Craft Centers will work on their projects.

At 8:10 p.m., an entertainment program will be staged for parents by the folk dancing, playacting and music departments. Motion pictures also will feature the program.

On the following Wednesday, a boxing tournament will be staged for public audience. Rose has urged all parents to attend the two final programs of the summer recreation program.

LET THE PEOPLE DECIDE

For nearly a decade the county board of supervisors and the county executive have been feudin' and fightin'.

The matter has come to a head with two charter study committees — one appointed by the executive, the other by the supervisors — recommending changes in the county charter.

The supervisors' committee recommended that the county executive, controller, sheriff and engineer become appointive by the board of supervisors, commencing at the conclusion of present terms of office, in 1951.

The county executive's committee recommended that supervisors be elected by the districts which they are supposed to represent, instead of by the county at large. This committee also recommended a clause to prohibit the supervisors from consolidating any offices which are now elective; would require supervisors to deal through the executive's office in dealing with county administrative departments, and would allow the executive to appoint the planning commission, agricultural commissioner and county sealer of weights and measures. It was recommended that the executive have control of the budget ceiling and pass on all claims for payment and that supervisors be prohibited from coercing the operation of the executive's office.

The two committees have worked on a study of the charter for more than a year. Despite the difference in conclusions reached, the members of the committees presumably have been conscientious citizens, whose recommendations are the result of a sincere desire for better county government.

Accordingly, ALL of the recommendations of both committees should be put before the people, instead of offering only hand-picked items to the voters.

The supervisors have decided to put only one proposition on the ballot: "Shall the county executive continue to be elective, or shall he be appointed by the board of supervisors?"

The county executive should continue to be an elected official. Otherwise there will be no check or balance in county government.

One other thing is certain — supervisors should be elected by the districts in which they reside, not by the county at large. Only in this way will supervisors be responsive to the citizens they are supposed to represent. One supervisor should represent each of the five townships in San Mateo county.

With supervisors elected by their districts, northern San Mateo county residents might get some tax benefits. At present all they get are tax bills. Such a change might result in some much-needed improvements in this end of the county.

It might result in some county recreational facilities in the north end of the county.

The county budget for the current fiscal year includes $183,000 for recreation, but not one red cent of this money will be spent in the northern end, despite the fact that a good part of the $183,000 will be paid by taxpayers of the north end. Last year Daly City residents paid more than $252,000 to the county in taxes. Neighboring unincorporated areas and nearby cities swelled this amount, but still county government has taken little if any heed of the need for improvements in northern San Mateo county.

We agree that there is need for change in the county charter.

But we think the people would like to make those changes themselves, by voting on ALL the changes advocated by the two charter study committees, instead of voting only on hand-picked items.

ALL MEN 18 TO 25 MUST REGISTER AT JEFFERSON HIGH FOR DRAFT

Registration for the selective service will be taken in the gymnasium of the Jefferson Union High School August 30 to September 18, according to Stanford Hannah, high school superintendent. Governor Warren has asked the high school principals to take charge of this registration, he said.

The schedule, as announced in the Presidential Proclamation of July 20, 1948, sets forth the following schedule:

August 30: Men born in 1922, after August 30, 1922.

August 31 and September 1: Men born in 1923.

September 2 and 3: Men born in 1924.

September 4 and 7: Men born in 1925.

September 8 and 9: Men born in 1926.

September 10 and 11: Men born in 1927.

September 13 and 14: Men born in 1928.

September 15 and 16: Men born in 1929.

September 17 and 18: Men born in 1930, before September 19, 1930.

The high school will be open from 8 a.m. to 5 p.m. on the above dates.

All men from eighteen to twenty-five years of age inclusive, whether veterans or non-veterans, must register.

It is preferable but not necessary that a person be registered by the local board having jurisdiction over his place of residence. Any person required to register may be registered with any duly designated registration official in the area where he happens to be at the time fixed for his registration. If he is unable to register at the time fixed, because of circumstances beyond his control, he must register as soon as possible thereafter.

Eagles To Fete Ladies Saturday

The Eagles Haywire Band will provide music Saturday night for the Ladies' Night Dance sponsored by the local Eagles Aerie.

Emil Bertelli, chairman of the dance committee, said today the doors will open at 8:30 p.m. Dancing will be enjoyed 'til the wee hours.

SAVE A DOLLAR

You can save a dollar on your subscription to The Daly City Record as a result of a new yearly subscription rate which becomes effective September 1. The new rate is only $3 for a full year's subscription.

Short term rates of thirty-five cents per month, or three months for one dollar, remain unchanged.

AT CALIFORNIA STATE FAIR

Jo-Jo the clown and Bette Ann, who will entertain the children at California State Fair in Sacramento, September 2 to 12.

remen Find Axe Time; Company our Wins Tourney

ive 'em the axe!

t wasn't a football command t Sunday, but a reality. They e it (the engraved axe, that is) Company No. 4 for its champion- p in the Fire Department's an- l horseshoe-throwing tourna- nt.

l Sundstrom and James Welsh n the honor for their company stiff competition with the three er trucks and an extra team nposed of the "chief's crew." e tourney was held during the eran Firemen's Association pic- at Flood Park.

he de-lovely, gold-plated axe ich had been missing for several s from the Company No. 1 fire- se almost didn't make it to the nic. It's still a mystery how the ze was hung from a 30-foot-high e at the picnic site. That's where picnic committee found it at .m. Sunday when they arrived set the grounds in order.

Some 150 picnickers, including emen, their wives and children, ned out for the Veteran Fire- n's Association outing to swim, st and play. And the sunny ather added considerably to the of races, ball games and tennis tches.

Only incident of the entire event s a spill taken by Tom Tallon ing a volleyball contest. Tal- 's arm was injured in the fall.

THE IMPORTANCE OF SAVINGS

A man doesn't become a success merely by saving money. But the man who saves his money is certainly taking a step towards success.

The ability to get ahead financially is looked upon by some people as a mystifying process which only a comparative few ever seem to understand. Actually, however, this process is neither mystifying nor is the understanding of it limited to a small group.

Today, more Americans are saving more money than they ever did prior to the war. The steady rise in bank savings deposits and the sale of Savings Bonds are evidence of this. And make no mistake about it, saving money is not only important at this time to the individual but to the country as a whole.

If we are to lick inflation, one of the methods by which it can be done is through putting more money aside in reserves instead of using it to bid up prices in the market. Of course, in the face of high prices saving may seem difficult to some. But it can be done. The person who starts by depositing a dollar or two in the bank from each pay check will not only find himself getting ahead financially, but he will also find it progressively easier to save as he keeps it up.

Yes, individual success, as well as the nation's success in combatting inflation is definitely tied up with increased savings.

THE CENSUS REPORT

There wasn't anything in the figures given out by the Census Bureau to cause any surprise. About the only thing they did as far as California was concerned was to show that our state still has a long way to go before it will overtake New York and needs a half million or more new residents to pull up even with Pennsylvania.

With a population of 14,165,000, the Empire State has a margin of more than 4 million over us. If our present rate of growth continues — we gained 3,000,000 in 7 years — and if New York maintains its present rate of increase the two states will be running neck and neck for the top spot around 1960.

California already heads the list in percentage growth and in the actual number of new residents. In Governor Warren's view "we're getting the greatest population bargain of all time."

THIS WEEK IN HISTORY

A glance back at the comparatively recent past reveals that India was released from British rule just a year ago this week.

It would be hard to recall an instance when a people gained their freedom who were less prepared economically and politically to accept the task of governing themselves. Their decision to split the country into Moslem and Hindu nations intensified their difficulties.

It brought about a forced migration of millions of persons and resulted in untold suffering and bloodshed. Yet, the excessive violence and disturbance did not last long, and if we judge the reports from India correctly it would appear that some progress is being made toward greater economic and political stability.

Looking back a bit farther in history we find that on August 14, 1941 the famous meeting between Roosevelt and Churchill was held at sea. At that time the Atlantic Charter was drafted. Remember — freedom from fear, freedom from want, freedom of speech, and so on?

Well, the Atlantic Charter expressed noble ideals, but from the present outlook a lot more history is going to pass under the bridge of time before we see those ideals put more generally into practice.

CALIFORNIANS IN THE OLYMPICS

One of the outstanding features of the American victory in the Olympic Games, at least in track, field and swimming, was the dominance of California athletes.

If we have figured correctly, the Californians on the basis of the divisions mentioned, could have won the Olympics all by themselves. In other words, they scored a higher point total in those events than the competitors from any other nation.

Besides that, it was the eight-oared crew from the University of California that won the big event in the rowing competition — and won it with comparative ease.

What makes California athletes individually and collectively outstanding? Some people say it's the climate. They point out that athletes can practice out here the entire year round. That is quite an advantage, but the difference between a champion and an also-ran involves more than just the opportunity to practice. Courage, determination, the will to win, plus natural ability and a lot of other things go into the making of a consistent winner.

At any rate, California may well be proud of the showing made by her athletes. Much was expected of them — and they did not fail.

The real estate agent was trying hard to make a sale. "This house," he said, "was built with prewar materials." The prospective buyer took another look at the house. "Which war?" he asked.

Off The Record

By Paul Green

Funerals must have been something in the old days.

Even before Daly City was an incorporated city, which was in 1911, horse-drawn hearses led long wagon-loads of mourners from San Francisco down winding El Camino Real to cemetery plots south of Colma, just where they are today.

Only in those days going to a funeral meant more than merely taking a morning or an afternoon off from work.

By the time the pallbearers returned to San Francisco, the whole day was shot. So, also, if we can believe reports, were most of those in the funeral cortege. Half shot, anyway.

We are in no position to know. But old-timers like Councilman Ed Mooney will swear to these statements.

SORROW DROWNED

Take a morning funeral, for example. It was the practice to hitch up the horses and drive from San Francisco down through what is now Daly City to the cemeteries. On the way back, it was about noontime, and it was always a good idea to stop off here on the way back to load up on sandwiches and beer. Or, if the mourner were particularly sorrowful, they had stronger beverages to offer. Sometimes, on the way back from an especially sad funeral, the funeral procession spent an entire afternoon here drowning the melancholy left by the lately-departed.

There were several roadside taverns catering to the whims of returning mourners.

Near San Jose avenue and Mission street, about where the Bank of America, Joe Lewkowitz' gas station and the James E. Donahue Plymouth agency are, was the Abbey House, a famous old landmark which saw its share of plastered pallbearers.

Next to William J. Sweeney and Sons' Studebaker agency at Westlake avenue was The Cottage. And further up on Mission street was Collopy's. Funerals were their meat.

THE LONG ROAD BACK

Competition among the various resorts got so that the liverymen driving the burial hacks were solicited to bring their processions to one place or another for the midday halt. The drivers were provided free libation as a reward for stopping on the way back.

While such goings-on may have been looked upon with favor by the drivers, hearse-owners and stable men took a dim view of the proceedings. True enough, eventually the horses would lead their inebriated teamsters back to the barn. But the owners figured a rig should be good for two funerals a day. The boys could take their time returning from an afternoon funeral but they wanted a quick turnaround in the morning. If the drivers could forego their midday temptations, they could have a free hand in the afternoon.

It took an old horse and buggy operator by the name of Kelly to solve the situation.

NO PANTS

For the morning funeral, Kelly deprived his drivers of their trousers, and gave them horse blankets in which to wrap their legs as they Gee'd and Haw'd their way to the morning ceremonies.

At midday, on the way back, the drivers had to stay on the wagons and therefore the noon-time stop for refreshments was not an unusually long one. Accordingly, it was possible for the rigs to make an afternoon haul to the cemeteries.

Being an understanding man, Kelly gave his men their trousers for the afternoon run. If they stopped off on their way home, it was on their own time, and, if they mourned too heavily, the horses would always bring them back to the barns eventually, anyway.

The automobile, of course, put an end to such shenannigans. Engineers have been able to equip the four-wheeled monsters with horsepower but have found it impossible to put any horse-sense under the hood.

That's why funerals are such dreary things these days.

Twins Born Day Apart; 13 Minutes Difference

When the Burmer twins, Karen Elaine and Claudia Anne, celebrate their birthday in years to come, one of them will have to compromise.

For the two-week-old girls were born 13 minutes apart — straddling the midnight division between August 4 and 5. The earlier baby, Karen, came in to the world just one minute before midnight; her sister Claudia following at 12:12 a.m.

The twin girls are daughters of Mr. and Mrs. Frederick J. Burmer, who moved to Daly City just a few months ago from San Francisco. Frequent visitors at their new home on Gambetta street are the twins' uncle and aunt, Mr. and Mrs. Frank Moran, and paternal grandparents, Mr. and Mrs. Frederick Burmer sr. of San Francisco. Their maternal grandparents are Mr. and Mrs. Joseph Szuba of Pennsylvania.

SAN FRANCISCO—This tiny doll, survivor of the ill-fated Donner Party that suffered much tragedy immigrating into California a century ago, will be one of the treasures to tour the state in the Historical Caravan now being assembled by the California Centennials Commission. It is shown being admired by seven-year old Judith Heiner of San Francisco.

Hardgrove Chairman Of Democratic Committee

Robert H. (Bob) Hardgrove, Democratic candidate for state assembly from San Mateo county, will be given an important and strategic role of leadership in his party by appointment as chairman of the Eighth Congressional District Democratic Committee.

This was announced today by Patrick J. Kearns of San Carlos, chairman of the district and of the San Mateo county central committee.

The appointment was voted by members of the state central committee at the recent meeting in Sacramento. Hardgrove agreed to accept if a rule was adopted making all county chairmen members of the state executive committee. The rule, which put Kearns on the state body, subsequently was adopted.

Kearns also announced the San Mateo central committee will meet next Tuesday, August 24, at the courtroom of Judge Hugh F. Mullin jr., 220 Third avenue, San Mateo, at 8 p.m.

Main purpose of the meeting will be to complete plans for a vigorous campaign for Hardgrove's candidacy. Kearns also will name a number of committees.

Colma Boys Club And Owls Meet At Harrison

The Colma Boys Club senior baseball nine tangles again with the Owl Drug tossers at Harrison clubhouse field Sunday at 2 p.m.

Last Sunday the two teams battled to a 1-1 tie for ten innings at Marchbank Park.

Don Mossi will probably draw the mound assignment for the locals.

Republ. Delegate To Be Honored At Woodside Tea

Honoring Myrtle Clark Stearns, president of the San Mateo County Council of Republican Women, Mrs. Annette Alevander will entertain at her Woodside home Wednesday, August 25, between two and four o'clock.

Mrs. Stearns returns soon from the east, where she attended the Republican National Convention as assistant hostess, the only woman of this county ever so honored. Since the convention she has been visiting relatives in Rhode Island.

At the Woodside tea, Mrs. Stearns will give a first hand report on the convention and of National Republican affairs.

Also speaking at the tea will be Mrs. Henry Benedict of Berkeley, one of the three newly elected women vice-presidents of the Republican state central committee.

To the tea Mrs. Alexander has invited all Republicans of the county. For road directions to her home telephone Republican headquarters at San Mateo, Diamond 4-0488.

WATER RATES IN BRISBANE UPPED BY 25 PER CENT

An increase of approximately 25 per cent in water rates has been authorized the Brisbane water company by the state public utilities commission.

The new charge will be a minimum of $2 for the first 500 cubic feet of water used by Brisbane householders.

Officers Seated At Gathering Of El Carmelo Parlor

Lucille Wohler, president of El Carmelo Parlor, Native Daughters of the Golden West, was installed into office recently in ceremonies at Masonic Temple.

The rites were conducted by Deputy Grand President Dolores Bozzo of Bonita Parlor, in the temple's Blue Room. The president and other officers of her administration, all gowned in white, repeated their oaths in candlelight.

Gifts were presented to Dorothy Donofrio, newly appointed supervising district deputy grand president; Lil Locatelli, retiring supervisor; Dolores Bozzo, deputy grand president, and Dorothy Linehan, past president. The new president also was presented with a gift from the parlor.

Entertainment was provided by Victor Detwyler, vocalist, and Mrs. Irma Harader, pianist. Chairman Christine Hulme and Co-chairman Marjorie Baker were hostesses.

Pink, blue and white made up the color scheme in the flower-bedecked hall, where refreshments were served. A silver bowl of pink asters centered the officers' table.

Peninsula Orchestra To Give Concert Aug. 27 At Redwood City

A 60-man symphony orchestra will present a free classical concert at 8 o'clock Friday evening, August 27, in the Sequoia High School auditorium, Redwood City.

Nathan Koblick, director of the Peninsula Symphony Orchestra, will conduct. The orchestra is mainly composed of members of the San Francisco Symphony. Personnel is being provided by the Record and Transcription Fund of James C. Petrillo's American Federation of Musicians. They are all members of Local No. 6, AFM.

The program will include:

Overture to "Russlan and Ludmilla," by Glinka; the Italian Symphony by Mendelssohn; Overture to "Romeo and Juliet," by Tschaikovsky; Rosenkavalier Waltzes, by Strauss; and the Rakoczy March, by Berlioz.

This concert will mark the third of a summer series given under the general auspices of "Music on the Peninsula," a non-profit group seeking to encourage and coordinate all forms of musical activity occuring between South San Francisco and San Jose.

Attendance at the coming concert is limited to 900.

Peninsula Garbage Rates Upped To 90c

A raise in garbage collection rates in San Bruno from 50 to 90 cents a month was seen after signing of a new contract by the San Bruno city council last week. Garbage will be collected once each week, with rubbish being picked up twice a month. Twenty-five per cent of revenue collected will be returned to the city government in return for the franchise.

It is estimated that the city will realize approximately $14,000 per year from its percentage.

Daly City Nut Shop Returns As Williams' Candy After 7 Years

Remember the Daly City Nut Shop, at Wellington avenue and Mission street? They closed up in 1941, when sugar and chocolate went to war.

Now they're back again, at the old Vista Grande school site, 6694 Mission street near Parkview avenue, under a new name, "Williams' Candies." Edna and Grant Williams stress the fact that only the name is changed — the same fresh, home-made candies will be served as before. And Mrs. Louise Williams, who started the original store, will be there too.

The Williams' have been dipping chocolate like mad all week, for the grand opening Saturday, when free samples will be offered to prove it's the same good candy as before.

Nurse Appointed Health Education Officer At $332

Irene DeSarmo, former director of the Visiting Nurse Association of San Jose, this week was named to the new post of health education officer for San Mateo county.

Appointment was made by Dr. Harold D. Chope, health director, in accordance with a recommendation in the public activities survey of 1947. The job pays $332 per month.

Successful candidates in a written examination for public health engineer, Dr. Chope said, will be interviewed by the board August 17. An examination will be held within the next 15 days for chief public health nurse.

Foresters Picnic At Lovchen Garde Sunday, August 2

A good time for all is exp Sunday when the Ancient C of Foresters open their gala pl at Lovchen Gardens on Hil boulevard near Market street.

With admissions set at 60 per person, the picnic will sta the morning and continue fo entire day, according to G Lodge officials.

Dancing, good eats, prize tests, etc. will all be part of day's festivities.

Tempest In A Tea-Pot; No One Planned To Fell Trees Anyway

More than 3000 resident Burlingame have signed peti against the proposed remov eucalyptus trees along El Ca Real to make widening of the h way possible.

This, plus the fact that highway engineers have annou that not only does the state no plans for widening of El Ca Real, but that no funds are a able for such a project, seem put an end to fears of penin residents that a wider high would eliminate the world-fa trees.

No official action concerni widening has taken place, alth it had been suggested by se groups.

ur-Year Stanford holarships For tential Leaders

tstanding students selected eadership qualities will receive year undergraduate scholar- to Stanford under a $50,000 from the George F. Baker t of New York.

is was announced recently by g President Alvin C. Eurich, said that the purpose of the arships is "the education of rounded, well-developed, bal- d indivduals who are potential rs."

hile the exact number of stu- s who will be admitted each year on these scholarships has not as yet been determined, Dr. Eurich said that the scholarships will be awarded during three consecutive years and will continue through the four-year undergraduate training of the recepients.

The first students selected under the plan will enter Stanford in the fall of 1949, and others will be admitted in 1950 and 1951.

Each will be given a substantial scholarship which will vary with the student's need, but which may extend from $1000 to $1200 a year for the four-year period.

Dr. Eurich said that Stanford will set up a special faculty committee to select students of outstanding quality and promise—with complete disregard of the financial resources of their families—from senior high schools and preparatory schools. This faculty group will function under the university's Committee on Scholarships.

Students selected will not necessarily be the highest ranking students scholastically in their schools. What they have done with their time outside of school, and their participation in activities with their fellows which may indicate qualities of natural leadership will also be taken into account, Dr. Eurich pointed out.

Innate leadership will be what the scholarship committee will be seeking, Dr. Eurich explained, and the promise of future contribution to the nation will be the most important factor in the selection of the scholarship recipients. The question of need will be entirely secondary to that of promise.

The scholarships will be called "The George F. Baker Scholarships

State Bar Surveys Legal Schools

The State Bar of California has launched a comprehensive survey of legal education and bar admission procedures in this state, F. M. McAuliffe, president, announced today.

"California's enormous population growth, together with other changes occasioned by the war, indicates the need for a completely new study of legal education and the procedures for admitting lawyers to the bar," Mr. McAuliffe said. "Our primary concern in the expert findings of our independent Survey Board is to discover how best to prepare young lawyers to serve the public."

Mr. McAuliffe announced inauguration of the survey on behalf of the Board of Governors of the State Bar after conferring in San Francisco with Sidney Post Simpson of New York, survey director and member of the three man Survey Board recently appointed. Mr. Simpson is a practicing attorney, a law professor at New York University and was recently chairman of the American Bar Association Committee on Continuing Education of the Bar.

"We intend to make a thorough, comprehensive, and objective study of legal education in California," Mr. Simpson said. "Members of the special Board enter the task with open minds and will draw no conclusions until the field work is done and all the facts carefully studied. When we do report, however, we expect to have something constructive to say."

in Friendship for Jackson E. Reynolds, '96." Mr. Reynolds is a former president and chairman of the board of the First National Bank of New York. A philanthropist and national leader in banking circles, he taught for two years at Stanford Law School early in his career and has long been closely associated with the university's activities. During his undergraduate days he played right halfback on the football teams of '94 and '96.

Bank Of America Takes Merit Award

For the fifth consecutive year, Bank of America has received the "Highest Merit Award" given by the financial world for the make-up and content of its 1947 annual report to stockholders.

Judged along with 1900 other annual reports issued by various industries and other financial institutions, the bank's report was cited as being "among the most modern from the standpoint of content, typography and format."

BRAKE ADJUSTMENT

Brake adjustment should be checked if the automobile brake pedal can be depressed to a point less than two inches from the floor of the car.

Rodeo, Added To Portola Festival, Will Extend Fete

The Grand National Livestock Exposition, Horseshow and Rodeo has been made a part of the Portola Festival and Pageant officially. Announcement of this action was made today by Cyril Magnin, president of the Portola Festival, and Nion R. Tucker, president of No. 1-A District Agricultural Association of the Grand National Livestock Exposition.

"This exposition is considered one of the greatest shows of its kind and it will be a fitting climax to San Francisco's big celebration next October," declared Magnin.

This show will run for ten days at the Cow Palace and plans are being completed to make it excel all previous exhibitions. Much of the nation's finest livestock will be on view with outstanding riders and performers, including some of the West's foremost rodeo stars.

Preceding the Grand Livestock Exposition will be many events in the spirit of carnival and pageantry. Included will be two parades, one on October 17 and the other on October 23; a pageant, "The Shining Trail," in which 1,000 talented performers will appear; a mammoth regatta on San Francisco Bay; opera and concerts by a chorus of 1,000 voices; a spectacular aerial show; street dancing and frolic in general.

The addition of this exposition to the program of the Portola Festival means an extension in the dates of the celebration. It will be under way for more than a month, from October 2 to November 7.

AIR CADET EXAMINERS INTERVIEW AUGUST 31

The United States Air Force aviation cadet program, designed to provide the nation with pilots to man the new high-speed fighters, bombers and other aircraft in our expanding air arm, will be described by visiting USAF officers in San Francisco on August 31.

These officers, members of a special air force procurement team, will outline the educational and career opportunities available through service with the new United States air force.

The Air Force team will be here through September 4 at the local recruiting station, 428 Market street, San Francisco.

Western Championship Rodeo At Bay Meadows

The Western Championship Rodeo scheduled for Bay Meadows on September 4, 5 and 6 will be the first show of its kind ever presented at the Peninsula track.

According to arena director, Harry Rowell, the wide section of track before the clubhouse and grandstand will be the scene of most of the activity. The breath-taking action which accompanies the bull and bronc riding will be visable from all parts of the stands which can accommodate over 15,000 spectators. Chutes containing the untamed livestock will be located on the south end of the track beyond the clubhouse. Cowboys mounting broncs and bulls in these chutes will be turned loose with the animals heads pointing in the general direction of San Francisco.

Referees astride on cow ponies will be on hand to halt any of the more enthusiastic bulls from endeavoring to beat the Daylight into San Francisco on their northward charge past the stands.

William L. Rothchild, publicity director, said that over two dozen West Coast rodeo performers have already signed up for the Labor Day week-end event.

Crow Creek Canyon Closed To Traffic

Through traffic will be unable to use the Crow Creek Canyon road from near Hayward on U. S. 50 to San Ramon on State Route 21 in Contra Costa county for the next three months, the California State Automobile Association reported today.

Realignment and bridge work by county crews makes necessary closing of the section of the road from San Ramon to the Alameda county line probably until mid-November. Local traffic to residences and ranches will be able to use the southern section of the road in Alameda county.

Eligibility requirements for aviation cadets are: 20 to 26½ years of age, unmarried, two or more years of college or the equivalent, good health and sound physique, and excellent character.

The Air Force team also is offering an opportunity for young men to apply for the officer candidate school for non-flying administrative jobs. This instruction is open to men between 20½ and 28 years of age who are high school graduates, in good health and of sound physique and excellent character.

Labor, Contract Laws Violated In Western States

SAN FRANCISCO — More than 96 per cent of the covered establishments inspected in the eight western states during the fiscal year ending July 1, were found to be violating one or more provisions of the Fair Labor Standards Act (Federal wage and hour law) or the Walsh-Healey (public contracts) Act, or both.

Violations of the overtime provisions requiring payment of at least time and one-half for all hours over 40 in any workweek, were uncovered in nearly 54 per cent of the inspected establishments.

Child labor violations were disclosed in more than 4 per cent while failure to pay the statutory minimum wage of 40 cents an hour was found in 2½ per cent.

Employers agreed to pay $319,289 as back wages to 6,945 employees scattered throughout the eight western states — California, Washington, Oregon, Idaho, Montana, Utah, Arizona and Nevada.

Figures on the results of inspections were revealed here today by John R. Dille, regional director of the Wage and Hour and Public Contracts Divisions, U.S. Department of Labor, who directs enforcements of the two acts in the eight western states.

The figures for the fiscal year show 2560 covered establishments inspected, violations found in 2464, overtime violations in 1378 plants, minimum wage violations in 62 plants and child labor violations in 111 plants, he said.

"Child labor violations ranged from zero to nearly 20 per cent in the various states, and minimum wage violations ranged from less than 1 per cent to as high as 11 per cent," Director Dille said.

TAKE A LOOK

Look before you leap is sound advice, but the pedestrian who looks before he starts usually has no need to leap.

DEADLINE SET FOR U.C. RE-ENTRANCE

The final dates for submission of applications for readmission to the University of California after an absence have been anounced by Herman A. Spindt, director of admissions.

Students who plan to reenter the University and who were not in attendance during the spring semester, should file applications with the director of admissions on the campus where they will attend, according to the following schedule:

Berkeley and Davis—on or before Tuesday, August 24. Los Angeles—on or before Wednesday, September 1. Santa Barbara—on or before Monday, August 30.

All applications must be accompanied by a certificate of vaccination against smallpox.

The schedule of qualifying examinations on these campuses has been announced as follows:

Berkeley: The freshman and junior status examinations, required of all students who plan to enter the College of Engineering and who have not previously taken the proper examination, will be given Saturday, August 21, from 8 a.m. to noon, and from 1 to 4:30 p.m. in the Engineering Building.

The examination in subject A, a test in English grammar and comprehension required of all new students, will be given on Tuesday, September 14. An examination in English for foreign students will be held on the same day.

Davis: The examination in Subject A will be given on Monday, September 13, and on Tuesday, September 14.

SPORTSMEN'S CALENDAR

The Division of Fish and Game reminds local sportsmen of the following regulations which apply to current hunting and fishing:

STRIPED BASS — No closed season. Limit: five fish or 25 pounds and one fish, except that, irrespective of weight, at least two fish may be possessed. Size limit: 12 inches.

ABALONES — Ends January 14. Limit: 10 abalones with not more than five red species. Minimum size for red abalones, seven inches; green, six and one-quarter inches; pink, six inches; black, five inches. May not be possessed out of the shell. Fishing license required.

COCKLES — September 1 to March 31 in Marin county. No closed season elsewhere. Bag limit: 50. Size limit: none less than 1½ inches in diameter.

PISMO CLAMS — September 1 to April 30 in Santa Cruz - Monterey Bay area. No closed season elsewhere. Bag limit: 10 per day. Size limit: none less than five inches in diameter.

MODERATION

Moderation in all things sound principle — and it can life saver when applied to c of speed in heavy traffic.

We will be making the Same Delicious Candies as Before!
Only the name is changed.
FREE SAMPLES --- SATURDAY!
Home-Made Candies --- Fresh Roasted Nuts --- Pop Corn

ROMANTIC EXCITEMENT

ELECTRIC TEAM . . . . Clark Gable and Lana Turner are the lovers in "Homecoming," now showing at the Crest Theatre, which guarantees romantic excitement plus! Story of a doctor torn between two women — his wife and a fascinating nurse — the picture also stars Anne Baxter and John Hodiak under the direction of Mervyn LeRoy. It's one of M-G-M's BIG ones!

ENGINE OVERHEATING

Common causes of an automobile engine overheating are listed by the California State Automobile Association as a rich gasoline mixture, low oil or water supply, loose fan belt, clogged radiator, excessive carbon deposits in the motor or improper timing of the engine.

Flower Entries From S.M. County At State Fair

Sacramento — Entries numbering 2047, greatest total in the history of the California State Fair, have been received for the livestock show and available space in barns will be taxed when the fair is held September 2 through 12, it was announced today by Ned Green, secretary-manager of the fair.

Twenty-nine counties, 82 cities and towns, and three other states will be represented in the purebred cattle, sheep, swine and goats entered in competition for $66,000 in premium awards offered in the Open Division.

With fair opening less than one month away, many counties are completing exhibits and others are arriving daily with prefabricated displays. Forty-one counties will be represented in the agriculture building, while San Mateo county will exhibit in the hall of flowers.

Work on the two model railroads which form part of the Hobby Show is nearing completion. Model railroaders, who are constructing the exhibit, have completed laying of track, installed controls, and are working on scenery. The exhibit is expected to be one of the most popular at the fair.

Barns have been readied for arrival of harness and running entries for this year's expanded horse racing program. There will be four harness and seven running races daily, with minimum purses boosted to $900.

The industrial machinery building, which will hold heavy machinery, pumps and the Ford Show, is ready to receive exhibits. Centennial Village has been landscaped and buildings placed in shape for many novelty commercial displays.

Auto-trains will be available to Fair visitors. With a terminus near the main gate, the trains will operate to all parts of the grounds with the fare ten cents. Passengers may ride to any of the attractions or make a circuit of the grounds for the same low fare.

Restaurants will provide meals at prices prevailing in downtown Sacramento, but Green has warned that the cost of living is far higher this year than in 1947, restaurant prices are up, and this upward trend will be reflected in prices charged at the Fair this year.

Retailers Of Fish Require License

Operators of California fish markets, butcher shops, and grocery stores retailing fresh fish must have a fish dealer's license, reminds the Division of Fish and Game.

The new license year began July 1.

Sellers of canned or packaged frozen fish are not required to pay the $5 fee, set by the 1947 State Legislature.

Application blanks for the retail fish license may be obtained at all offices of the Division of Fish and Game.

Refinishing Of Old Furniture An Art

Specializing in professional and artistic refinishing of old furniture and pianos, V. S. Overbay at 570 Hanover street performs wonders in restoring favorite pieces to their original lustre and beauty.

Mr. Overbay specializes in restoring grand pianos but achieves stirring results with almost any item of furniture.

FREE NURSERY AT SACRAMENTO FAIR

Every day will be children's day at the California State Fair in Sacramento, with those under 12 years admitted free when accompanied by an adult, according to Ned Green, manager.

There will be plenty of free entertainment for the youngsters throughout the Fair, Septemebr 2 through 12. Jo Jo and Bette Ann, famous clowns, will be back for their fifth year.

A free, guarded playground, with clowns, playground equipment and a nursery will be offered for parents who wish to deposit youngsters in safe hands.

Santa Clara County Fair To Feature Spectacular Events

A full week of entertainment is in store for visitors this year to the Santa Clara County Fair, September 13 to 19, inclusive. At the first major meeting of the Executive Committee of the Fair held Friday in San Jose, it was decided to feature spectacular events each day and evening of the Fair.

Betty Campbell, San Jose State College student, will be featured at the Hammond organ daily. Also each afternoon there will be five vaudeville acts and thrill acts with fireworks and free dancing to a name band nightly.

Quarter horse racing, a new feature this year, will be held on Thursday, Friday, Saturday, and Sunday afternoons. In addition, there will be a free horse show Saturday and Sunday and other grandstand entertainment.

Guy Zimmerman, California State horseshoe pitching champion, will be at the Fair grounds to defend his tide against all challengers. Zimmerman also plans to demonstrate fancy and trick horseshoe pitching on September 19 at 3:30 p.m.

Federal Civil Service Has Positions Open

The Federal Civil Service Commission has openings in the following positions:

Medical Officer, $4,479 to $6,235 per year.

Office Appliance Repairman, $2,350 to $2,799 and $3,024 to $3,225.

Typists: Grade CAF-1, $2,086; CAF-2, $2,284; CAF-3, $2,498 and CAF-4, $2,724 per year.

Stenographers: Grade CAF-2, $2,284; CAF-3, $2,498 and CAF-4, $2,724.

Information and applications may be obtained at the Federal building.

KNOW YOURSELF

It's a wise driver who knows his own physical limitations and governs his speed accordingly.

SAN JOAQUIN COUNTY FAIR OPENS SATURDAY

The 27th annual San Joaquin County Fair, featuring a multi-million dollar farm crop rated as the most diversified in the nation, opens its gates Saturday, August 21, for a nine-day exposition.

Entertainment attraction for the first two days will be the "Horsecapades," billed as a musical extravaganza on horseback. The act will feature Jerry Colonna, comedian of screen and radio. The show will be staged the opening evening and matinee and night show on the second day.

The third night will be headlined by the first installment of a six-night combined horse show and rodeo. The rodeo prize money totals $5250 and the horse show will present nine $1000 stakes.

Closing day of the fair will be August 29.

Meadows Racing Ends On Friday; Old Timers Win

Veteran Bay Meadows patrons attending the San Mateo County Fair race meeting ending Friday are watching many of their old favorites reaching back to their peak form of earlier days at William P. Kyne's friendly peninsula plant, proving the ancient turf adage that certain horses like certain courses.

Examples of equine old timers figuring in wake-up performances have been numerous, but the sparkling victory Monday of the thirteen year old gelding, Lavengro, is the standout. The old boy, a stakes favorite at Bay Meadows in previous meetings, soundly whipped a field of younger rivals, expecting another old stakes campaigner, the 13 year old Wise Fox who ran a close third.

Other seemingly inexhaustible venerable veterans still romping well at the current meet include the 12 year old Hysterical, Michaelmas 13, Jockarando and Chief Crusader, both 11, Blueberry Pie 10, and the eight year old trio of Railroader, Indian Road and Molassas Jo.

The race meeting is actually only the kick-off to the county fair celebration, which resumes September 24 and continues through October 3, General Manager Norvell Gillespie reports all plans going at full speed for the event, known as the Floral Fiesta, to be housed in an immense pavilion now nearing completion adjacent to the race course.

TO THE RIGHT

Be an adroit driver literally, urges the California State Automobile Association, by keeping well to the right except when passing another vehicle. Adroit, derived from the French, means "to the right."

Use Of 40 Line As Highway Balked By Mayor Robinson

Talk of a new north-south highway between San Bruno and Burlingame on the route of the number 40 street car line, when the street car franchise expires in 1951, hit a snag last week when San Francisco officials announced they intended to hold the right of way regardless of trolley service.

James Turner, S.F. public utilities commissioner, said that Mayor Elmer Robinson hoped to develop a peninsula rapid-transit plan which might include use of the number 40 right of way.

Rapidly mounting traffic on El Camino Real had led peninsula groups to consider the new highway as an alternative to widening historic El Camino Real. Such widening would require removal of the eucalyptus trees along the road. Peninsula clubs and citizens groups are strongly against removal of the trees.

If the Burlingame - San Bruno link of the trolley right of way had been okehed for conversion to highway use, northern San Mateo county officials would have attempted to extend the route to connect with El Camino Real at the cemetery area.

Democrats Select Bill Newsom As Treasurer

Senator Oliver J. Carter, chairman, Democratic State Central Committee, today announced the selection of William A. Newsom, prominent Bay Area businessman, as treasurer of the State Central Committee.

The Democratic State Central Committee, at its biennial session at the State Capitol on August 8, voted to permit Chairman Carter to appoint the treasurer, who will serve for the next two years.

Baking is now nearing a three billion dollar total for annual business, according to the American Bakers Association.

San Francisco's civic auditorium has a seating capacity of 11,000.

Yes! We Agree Meat Is 'Deer' These Days

Opening up the deer hunting season with a bang, George Archer and Jimmy Fox stole a march on fellow members of the Daly City Rod and Gun Club, being the only locals to bag a buck on the opening week end. The two nimrods each got a fat, forked horn on their place near Yorkville in Mendocino county.

The Rod and Gun Club has employed a taxidermist to mount the deer with the biggest horns of the season.

Last year Archer and Fox both nailed four-pointers on opening day, with Fox' bag beating the former's by a spread of one-quarter inch. The big deer were stalked near Doyle, in Lassen county.

Locals Lead Funston League Under Colors Of Corbett's Liquor

The Junipero Serra Merchants team, playing under the colors of Corbett's Liquor in a night-baseball league at San Francisco's Funston Park, are leading the league with four victories. Team standings are as follows:

Corbett's Liquors
Paul's Corner

BETROTHED Cecilia Merino, Esther Morgan Reveal Troths

Romance invaded the Daly City Bank of America this week when two young employes announced their engagements.

Cecilia Merino, daughter of Mrs. Magdalena Merino of 620 Madrid street, San Francisco, will become the wife of Sanford (Sandy) Ratliff some time next year. Esther Morgan, daughter of Mr. and Mrs. James E. Morgan of 4 Hillside boulevard, also will be wed next year — to Clarence Marrs of Redwood City.

The betrothed young ladies both are employed in the office of the local bank.

Cecilia and Esther are graduates of Jefferson High School. Ratliff, son of Mrs. Mae Ratliff of San Francisco, is assistant manager of the Daly City Theatre. Marrs, whose parents are Mr. and Mrs. M. Marrs of Redwood City, is employed by the Bank of America at 29th and Mission streets in San Francisco. Both are veterans of World War II.

Fixa Announces New 3-Cent Stamp Issue

John F. Fixa, acting postmaster, has announced that the Post Office Department will issue a 3-cent stamp through the Chesterfield, N. H., post office, on August 25, in honor of Harlan Fiske Stone.

The central design of the stamp is a portrait of Harlan Fiske Stone on a dark background, under which appears two conventional shields. In the right shield on a dark background appears the numeral "3c" in white modified Roman, and in the left shield on a dark background appears the scales of justice. Under the portrait in a simple ribbon appears the name "Harlan F. Stone" in dark-face Gothic. The wording "United States Postage," in white-face Gothic, appears in the top border.

For the benefit of collectors desiring stamps of selected quality for philatelic use, the 3-cent Harlan Fiske Stone commemorative stamp will be available at the Philatelic Agency, Post Office Department, Washington 25, D. C., on and after August 26, 1948. To insure prompt shipment, mail orders to the Agency should include no other stamp issues. The Philatelic Agency does not service first-day covers.

Season On Mollusks Open In Two Weeks

Seasonal restrictions on the search for all types of mollusks on the California coast will be lifted September 1, reports the Division of Fish and Game.

The Pismo clam season extends from September 1 to April 30 in the Santa Cruz - Monterey Bay area only. A year-round open season applies elsewhere in the State. The Pismo clam bag limit has been reduced to ten this year by Fish and Game Commission ruling.

In Districts 8, 9, and 17, which include Santa Cruz county, the northern portion of Monterey county, and the Humboldt Bay area, clams may be taken between September 1 and April 30. There is no closed season in the remainder of the State.

Theme Is Western For Church Dance Sept. 11

Featuring Bill Richardson's seven - piece orchestra, complete with master of ceremonies and vocalist, a western dance is scheduled for September 11 at Our Lady of Perpetual Help Church. The band will hold forth from 9 p.m. to 12:30.

The dance, a prelude to the gigantic festival and carnival on the church grounds on October 1, 2 and 3, will feature an old-time western theme and costumes may be worn.

Committees are annuonced as follows:

Door and floor committee, Frank Denning, William Whalen, John Ferro and Richard Ennis; decorations and prizes, Mrs. Lee Miller, Mrs. Sue Hopman, Mrs. Valetta Ennis and Mrs. Isabelle Liberti; check room, Misses Leslie Linares and Alvera Wilmes; refreshments, Mrs. Janet Fellman.

A flight around the globe, from San Francisco to New York, can be made in less than a week.

A large collection of firearms used by California pioneers is exhibited at Sutter's Fort.

State Health Man Criticizes County Clinical Set-Up

Verbal criticism of the handling of venereal diseases and poliomyelitis by San Mateo county was handed the board of health and welfare last week by Dr. Henrik L. Blum, state department of health investigator.

Blum was loaned to the county at the request of Dr. Harold D. Chope, new health director, for an analysis of venereal problems here.

Submitting a preliminary message to a written report which will be completed in about a week, Blum said "present clinical facilities have not been used to the best advantage," and criticized the overall handling of venereal patients; the treatment, follow-up and keeping of records.

The health director had asked for a state survey when he discovered that too few cases were reported for the county's population.

The investigator also informed the board that Community Hospital has been designated a primary poliomyelitis treatment center, by both the state health department and the National Foundation for Infantile Paralysis. Dr. Chope added that San Francisco Children's Hospital, which heretofore has accepted most suspected cases, is severely taxed by arrivals from mountain counties which have no suitable facilities for its treatment. According to Dr. Chope, Children's Hospital Superintendent E. B. Shaw would prefer that San Mateo county keep its own polio cases.

SOUTH CITY WHIST

Ladies' Auxiliary of Eagles No. 1473, of South San Francisco, has invited Daly Cityans to attend its whist party next Monday in Fraternal Hall, 415 Grand avenue, in that city.

The party, according to Mrs. R. Staask, chairman, will begin promptly at 8:30 p.m.

Deer Hunters Warned On Gun Safety Rules

"Eighteen Californians lost their lives last year due to gun accidents," states Bert Stewart jr., field secretary of the National Automobile Club, who urges hunters to be extra careful when carrying firearms. "There were also 32 hunters wounded by gun accidents and of this number possibly some died. Hunting can be just as enjoyable if sportsmen will observe simple firearm safety rules."

"There are several causes for gun accidents but no excuses. Last year, as an example, some hunters were taken for deer by other hunters; some were shot as they removed their guns from their cars but a majority of the gunshot wounds are the result of general carelessness. These careless acts include carrying a cocked rifle with the safety off, holding the gun when crossing a fence and failure to realize where the bullet might go if the game is missed," declares Stewart.

"Among the several precautions hunters should observe is to allow no loaded guns in the automobile. Any rifles in the car should be empty of ammunition, the breech open, the safe on and lying flat on the floor of the trunk or tonneau."

Relief Payments In County Up 71 Per Cent

Direct payments for relief to the needy in San Mateo county for 1947-48 totalled $1,421,371, 71 per cent more than the $831,047 paid out in the county for relief during 1945-46, the first postwar year, California Taxpayers' association reported today. Relief paid out in the county during 1946 - 47 amounted to $1,078,660.

Included in the relief paid out in the county for 1947-48 was $1,069,320 for aid to the needy aged, $38,891 for aid to the needy blind, $100,402 for aid to dependent children, and $212,757 for general county relief — the catchall for people not eligible for other kinds of relief.

Aid to the aged, blind, and dependent children is financed by the federal, state, and county governments, while general county relief comes out of the county taxpayers pockets, the association said.

Guttmann-Burton Rites Saturday

Miss Lois Guttmann, daughter of the Alfred Guttmanns of 6275 Mission street, became the bride of Raymond Burton last Saturday in a tastefully informal ceremony at the home of the Rev. Adrian McKenna.

Given in marriage by her father, the dark-haired bride was frocked in white crepe and carried white orchids over her prayer book. Attendants were Myra Blackledge and Richard Burton, brother of the bridegroom.

A reception at the Guttmann home honored the justweds after the ceremony.

In last week's edition, the Record erroneously stated that the marriage rites took place August 7. They were performed last Saturday, August 14, in the presence of Lois' and Raymond's families.

Harry's Pastry Shop Celebrates Birthday

Celebrating the second anniversary of Harry's Pastry Shop on Saturday, August 28, free coffee and pastries will be offered on a "how lucky is your birthday?" theme, proprietor Harry Castigliani said yesterday.

Open again for business after a brief closing for the installation of new machinery and equipment, Harry's Pastry Shop, 7388 Mission street, near Market street, features decorated cakes for special occasions, plus a full line of home-made bakery goods.

DRUIDS WHIST PARTY

The Monday night whist party sponsored by Hillcrest Circle, United Ancient Order of Druids, will begin promptly at 8:30 p.m., according to May Milo and Hazel Keagle, co-chairmen.

Druid whist parties, always festive, well-attended affairs, are held in the Masonic Hall, 17 Hillcrest drive.

Marriage Licenses

Issued recently to:

Melvin Dykman, 27, Daly City, and Antoinette Gotelli, 22, 422 18th avenue, San Francisco.

George Garibaldi, 23, 48 Dolores street, San Francisco, and Patricia Curley, 23, Colma.

On the basis of an estimated population of 9,876,000, California has one doctor for every 698 persons.

Make these 4 comparisons before you buy any car

COMPARE THE VALUE

Yes, compare the features—compare the prices—compare what you *get* for what you *pay*—and you, too, will come to the conclusion that Chevrolet continues to be *first in value*, just as it continues to be first in Big-Car Quality at Lowest Cost, and just as it continues first in demand, year after year.

COMPARE THE POPULARITY

You can identify the *biggest value* in any list of products by picking out the one product which enjoys greatest popularity, year after year; and, of course, in the field of motor cars, that one product is Chevrolet—outstanding leader in popularity for the total 17-year period, 1931 to date!

COMPARE THE FEATURES

Only Chevrolet combines the Unitized Knee-Action Ride for gliding smoothness; the world's champion Valve-in-Head engine for performance and economy; Body by Fisher for tasteful beauty; and Fisher Unisteel Construction *plus* Positive-Action Hydraulic Brakes for all-round safety protection!

COMPARE THE PRICES

You'll agree with millions of other car buyers that prices—like quality—are a major consideration in these times; and just as Chevrolet's Big-Car quality is unique in its price range, so Chevrolet prices are the *lowest* in its field. Chevrolet costs less to buy, to run and to maintain!

Only Chevrolet gives BIG-CAR QUALITY AT LOWEST PRICES . . . that's why

CHEVROLET—*and Only* CHEVROLET —IS FIRST!

Goings On At The Playgrounds

JEFFERSON HIGH
By Joe Ballarin

Many of your children had a grand time last week at the picnic in Sigmund Stern Grove. Thanks to you parents for letting them go. And then, of course, there was the boat ride on Lake Merced last Wednesday which was as much fun for the directors as for the little ones.

The swimming instructions are over now, but tomorrow is the day of the big swimming meet for all ages. The various games will be held in the shallow water end so be sure and tell your child to come any time during the morning.

There are only two more weeks left of our summer program. Please send your children to the school so that our efforts will not be in vain. After all, we have many activities planned for your child, and if only a few attend certain planned activities we are inclined to feel the effort is in vain. So remember:

Monday morning we have a two-hour show "for free."

Tuesday is art day, for folk dancing, dramatics, boxing, tumbling, and badminton.

Wednesday, of course, we take a trip although there is much to occupy your offspring if he or she wants to stay at the school.

Thursday is art day again, and Friday is always a special day with combined activities for all the playgrounds in Daly City.

So how about it Mr. and Mrs.? Will we see your child this coming week?

JEFFERSON PLAYGROUND

Many events highlighted the week of August 9 for the children who attended Jefferson playground. A trip to Mount Davidson, several tournaments and finally the all-city meet held at Jefferson Union High School on Friday were part of the Recreation Department's program.

The trip to Mount Davidson was followed by a picnic lunch at Sigmund Stern Grove. The youngsters then set out to explore the surrounding area, which meant the discovery of a small lake just behind the grove. The day was rounded out by a hike to Fleishhacker Zoo and a bus ride home.

Probably the most exciting, action-packed day of the week was Friday, the day of the all-city meet. On Friday those who had succeeded passing all others in his own playground met and matched his skill against the champions of the other playgrounds, the final victor to be crowned all-city champ.

Jefferson playground did very well in the meet, with many of her athletes taking both first and second prizes in the events. Among those who participated at the meet were: Ario Gresori, Marilyn Foss, John Sciutto, Donald Neville, Janice Toole, Jose Ordonez, Donna Shulda, Jim Fernandez, Lowell Creighton, and Bob Giorni.

MARCHBANK PARK
By Glen Smith

We spent last week getting ready for the tournaments at the high school. The ping-pong room was in constant use as were the checkers, chess, jacks and softball equipment.

Our practice paid off in victory on Friday. Marchbank won first in city-wide competition. Lefty Goodnol, Cafferetta, Bob Gallagher, Helen Cooper, Beverly Heagney, Sandy Smith and Rose Eling all scored points for Marchbank. We had a total of 167 for the day.

LINCOLN PLAYGROUND
By Jack Root

Due to a lack of older boys and smaller girls competing, Lincoln placed third in the Daly City Tournament Championships. The director was quite disappointed in his older boys for not showing up to compete last Friday. They had shown great interest last Tuesday when the director put on his own tourney with small cash awards for the winners and second place contestants.

Lincoln's third place among the playgrounds was achieved by the efforts of its smaller boys and older girls. Jackie Chambers was sensational again for Lincoln. She took four firsts and one second for a total of 46 points. Other winners for Lincoln were Frances Rust, Joan Kilton, Robert Stables and Tony Baftista.

Last Wednesday, the director took 12 boys and girls out to the Fleishhacker zoo and playground and spent a very enjoyable day. Those who made the trip with the director were Bobby Rich, Ray Bermudez, Peggy Holcomb, Lois Holcomb, Judy Montileoni, Leroy Davis, Ronnie Davis, Robert Giomi, Billy Tylendo, Charline Smith, Lois Jensen, and Bob Murphy. We will go boating at Lake Merced this Wednesday. Much interest is being shown for this outing so we should have quite a turnout.

Lincoln's softball team would like to play more games with the other playgrounds. Come on! You other playgrounds — get together a team and play us. Don't be afraid of our playing record. Even the best are beaten occasionally.

CRAFT CENTERS
By James Kraywinkel and Elizabeth Kabeary

Are you interested in miniatures? If so, you should have visited Peoria Craft Center Monday or Tuesday of each week. Miniature pictures were made by the following youngsters:

Carol Ingersoll, LaVern and Johnny Nagel, Donald and Patty Ricci, Pam Masters, Donald Jennings, Bert Rodriguez, Patsy Phillip, Frank and Nat Lena, Frank Bricker, Adelaide Theuner, and Mary and Barbara Malm.

Thursday the youngsters also enjoyed spatter painting, while Ira Ingersoll made a hot plate holder. The interest shown in clay we intend to utilize next week.

We have another welcome newcomer at Parkview — Robert Wilkin. He was among the following youngsters who painted statues: Joy Beecher, Beverly DeNiki, Jack Thur, Billy and Jerry Eling, John and James Silson, Armand Faber, Billy Clarke, Charles Cameron, James Wilson, Robert Florio, Rita Mello, Jackie Martinez, Diana Atencio, Donald and Ralph North and Hope Nelesquez.

Some of their work was very outstanding and we are keeping it until the craft exhibit on Wednesday night, August 25.

Marchbank Wins Sports Tourney At Jefferson

Marchbank Playground scooped up 168 points in the semi-final and final contests last Friday to take first place in the recreation sports tournament at Jefferson High School.

Followed closely by Big Jeff, with a total score of 134, the Marchbank champions also won over Lincoln, which finished with 108; Little Jeff, with 86, and Crocker Playground, with the sad score of 54.

Outstanding winners of the tourney were Dave Cafferata, Charles Goodnol and Ed Kelly, all of Marchbank, who each won two final competitions. Joe Ordonez of Jefferson showed up well with a first and a second.

In the girls' competition, Jackie Chambers of Lincoln Playground won three competitions to take high score honors for the day. Frances Rust, a teammate, defeated her in table tennis — her only failure of the tournament.

Creditable performances were turned in also by Beverly Heagney and Rose Eling of Marchbank, Janice Toole of Jefferson and Sandre Faulk of Crocker.

Winners of the boys' contests, including both the 12-15 age group and the 11 and under classification, were:

Free throw — Bill Valentino and Bob Stables; basketball "21," Dave Cafferata; table tennis, Charles Goodnol and Ed Kelly; paddle tennis, Charles Goodnol and Lowell Creighton; chess, Tony Ny; checkers, David Cafferata and Joe Ordonez; softball throw, Don Espinosa and Marvin McDougal; football throw, Faustino Quiteves and Edwin Kelly.

Winners of the girls' tourneys, in both the older and the younger age groups, were:

Free throw, Jackie Chambers; basketball "21," Jackie Chambers; table tennis, Frances Rust and Fay Orovitz; paddle tennis, Jackie Chambers and Aline DeBoton; checkers, Rose Eling; softball throw, Joan Kilton; volleyball throw, Beverly Heagney; jacks, Marilyn Jones; jumprope, Sandra Faulk; hopscotch, Janice Toole, and O'Leary, Margo Corospe.

New Pitcher Lets Geneva Down With Only Two Hits

The Geneva Merchants wanted revenge for a 6-5 beating administered by the Colma Boys Club junior team recently, so they scheduled a return match last Sunday at Marchbank Park.

Revenge was not sweet, however, for the local juniors tallied 14 runs behind the strong pitching of Don Montague to complete the Geneva nine, 14 to 2.

Montague, 17-year-old right-hander from San Jose High, recently moved to Daly City and held the Merchants to two hits. Montague also collected three hits in four trips to the plate and observers are betting he will soon be moved up to a berth on the Boys Club senior team.

Second-baseman Welp was good for three hits out of five attempts.

The box score:

Colma And Owl Drug Nines Battle To Ten Inning Tie

A 10-inning pitchers' battle between the Colma Boys Club seniors and the Owl Drug baseball throwers Sunday at Marchbank Park ended in a 1 to 1 tie and will result in a return match to decide the winner.

Rico Ottonello, Colma chucker, held the Owls to two scratch hits, but the opponents pushed over a run in the fourth inning on an error to take the lead. The Boys Club came back in the fifth frame to even the score as a result of an Owl error. Neither side earned a run. Davino, Owl hurler, allowed five hits.

Ben Parodi, Colma catcher threw out seven base-runners attempting to steal second base, for a near-record performance behind the plate.

PEZZOLA STEALS HOME BUT JUNIPERO SERRA NINE LOSES TO SEALS

Eased out by a lone run in their first engagement under new colors, the Junipero Serra Merchants nine (formerly Daly City Merchants) dropped a 5 to 4 decision to the Junior Seals Sunday in the main 2:30 feature at Marchbank Park.

The hard-hitting Seals touched pitcher George Bournellis for 12 safeties as the Serras garnered 10 hits from Clayton, Seal hurler.

The Seals started off with a bang, pushing over three runs in the first inning, one in the seventh and another in the tenth inning to win.

Junipero tossers came back to score twice in the first, one in the seventh and to tie the game up with a run in the ninth to force the game to extra innings.

First baseman Neil Pezzola was a near hero in the ninth inning. Trailing, 4 to 3, Pezzola found himself on third base and managed to steal home to tie the score. It was in vain, however, as the Seals came back to win in the tenth.

Pezzola belted three hits in five times at bat, while catcher Harry Krohn connected with two for three.

The whistles will be blowing Saturday at 333 San Mateo avenue when Frank Blum jr. (Butch to his friends) celebrates his fifth birthday at home as host to a group of small fry. Butch is a son of Frank B. Blum, Daly City attorney.

55 Get Red Cross Certificates In Swim Campaign

Junior life saving certificates were awarded last week to Joseph L. Bocci and Charles J. Lewkowitz, at the close of the 1948 Red Cross swim campaign.

Some 188 swimming students made up the last class, August 2-14, with 55 receiving county credentials and 114 passing "fish" and "jellyfish" tests.

Conducted by Miss Juanita Young, the swim campaign was carried on by Jane Bernath, Florence Hannah and James Harrison, qualified Red Cross swim instructors. A total of 643 students, including both children and adults, benefited by the course.

Other students receiving credentials in the last quarter were William Evans, swimmer; Carol Bertelli, Donald Bocci, David Coito, Raymond DelPape, Dick Hopman, Lynette Kerr, Ronald Krieger, Eddie Larson, Marlene McCoy, Robert Niebur, Elaine Riley, Norman Stewart, Roberta Taylor and Michael Traxler, intermediate, and:

Donald Bocci, Kathleen Dalrymple, Brenda Decker, Richard Dianda, Richard Dominguez, Karen Elder, Sandra Elder, Daniel Feccia, Darlene Feccia, Ronald Feccia, Juanita Franzen, Rita Franzen, Judy Hopman, Janis Hoyez, Timothy Kennedy, Ronald Krieger, Buddy Kruse, David Kruse, Jean Lunghi, James Malatesta, Jimmy Mills, Jerry Moore, Patricia Mutto, Gilbert Newcomb, Herbert Pederson, Janice Riley, Pearle Schatz, Bernard Schneider, Joan Ann Stevenson, Norman Stewart, Donald DeSurville, Janet DeSurville, Tom Sutter, Raymond Toloski, Paul Vasconcellos, Michael Vigo, Minni Woodman, Dawn Yaley, Ramon DePucci, Ann Marie Doherty and Patricia Sardi, beginner.

New Drive-In Theatre Opens In South City; Plan Other Near Here

A new Starlite Drive-In Theatre opens its gates tonight in South San Francisco.

Built at a cost of more than $300,000 and covering 14 acres on South Linden avenue, the new theatre will accommodate 850 cars. The drive-in is operated by the San Francisco Drive-In Theatres Corp., which controls the Starlite in Belmont. Plans have been completed for an additional drive-in theatre below Colma near the intersection of Junipero Serra boulevard and El Camino Real.

Army veteran Joe Van Arkel, manager, said, "The American family today lives on wheels, and the drive-in theatre is the motion-picture industry's answer to the demand for progress.

"Ninety-three per cent of our patrons bring their children with them and junior can go to sleep in the rear seat if he becomes tired."

The opening program, which ends Saturday, is "The Wistful Widow of Wagon Gap," starring Abbott and Costello.

OIL GAUGE

A flickering oil pressure gauge on your car's instrument panel may indicate low oil supply, a leaking oil line, clogged oil pump strainer or a defective oil pump.

WELCOME TO DALY CITY

New Families moving into Daly City recently include:

J. Laray, 222 Miriam street.

A. R. Chiesa, 165 Los Olivos avenue.

David L. Hacket, 163 Oliver street.

Leo W. Fogarty, 6777 Mission street.

A. Karabene, 427 Bellevue avenue.

Bernard W. Gurney, 478 Winchester street.

R. J. Sullivan, 347 San Diego avenue.

E. Fach, 6270 Mission street.

M. M. Ellis, 740 Niantic avenue.

Floyd Heines, 364 Miriam street.

Robert L. Fagani, 123 Santa Barbara avenue.

Russell Bell, 47 Peoria street.

A. A. Brooks, 6831 Mission street.

P. Caserza, 113 W. Moltke street.

Ladies And Lions See Freezing Film

Pink chrysanthemum corsages, fresh shaven faces and a general atmosphere of perfume and polish prevailed yesterday at the Lions Club luncheon at Estrada's Spanish Kitchen.

It was Ladies' Day, and the men had donned their best for the occasion. Frilly summer hats and gaily colored ties were the style.

Speaker for the day was Harold Hendricks, Nash-Kelvinator representative, who showed a motion picture film on home freezers. Hendricks was introduced by Program Chairman Ed Byrne.

Door prize went to Gil O'Shaughnessy, whose charming brunette wife assisted with the hilarious "tail-twisting" which occupied the greater part of the meeting.

GROUNDBREAKING CEREMONIES SEPT. FOR ARCHBISHOP HANNA BOYS' CENTI

Archbishop John J. Mitty announced this week that ground breaking ceremonies for the new $1,250,000 Archbishop Hanna Center for Boys will be held Sunday afternoon September 19th.

Several thousand citizens, representing the thirteen counties of the Archdiocese of San Francisco, are expected to attend the event on the 170 acre site of the new Center near Boyes Springs.

The Rt. Rev. Msgr. Fulton J. Sheen of the Catholic College of America has accepted an invitation to be the principle speaker of the day. Monsignor Sheen will fly here for the event.

The ground breaking exercises culminate three years of volunteer work during which Catholics oversubscribed a $975,000 building fund appeal by a third of a million dollars, and developed the entire plan of operation for the new shelter for the homeless and neglected youngsters.

Erection of the Center follows a three year demonstration period with a small Center in Menlo Park. The work accomplished at the Menlo agency prompted volunteers to organize and conduct the fund for a larger and more autonomous institution.

The Boyes Springs organization will embrace a school, cottage living quarters for 125 youngsters, an auditorium, infirmary, chapel, administration building, a farm development, vocational training shops and a convent.

Lions Club To Run San Bruno Center

A community recreation building was in the offing for San Bruno residents with the institution of condemnation proceedings against a cafeteria in Belle Air Park.

The city aims to take control of the federally owned property and turn it over to members of the San Bruno Lions Club, who will convert it and operate it as a community recreation building.

Hunter Killed In Shooting Acciden

August Cattaneo, 50-year plumbing foreman of 238 V Grande avenue, was shot and ki last Sunday in a deer-hunting a dent near Novato, Marin coun

Cattaneo was shot through head while he and a compan Vincent Zambelli, 51, of San F cisco, were target shooting paratory to the hunt. Accordin Zambelli, he was lowering hammer on his rifle when it w off, the bullet striking Catta in the head.
